Accessibility Testing Tools: aXe DevTools, Accessibility Insights, Lighthouse, browser developer tools

Assistive Technologies: JAWS, NVDA, VoiceOver, TalkBack, with Mantis Q40 braille display

QA & Collaboration Tools: Jira, Git, GitHub, test documentation, defect tracking, Agile/Scrum

Technical: HTML5, CSS3, JavaScript, React, React Native, Angular, Vue, Node.js, Python, SQL, Kotlin, Swift, Objective-C, C

Professional Experience

Digital Accessibility Engineer (SME) | LanceSoft (MassDOT)

May 2025–Jan 2026

- Served as accessibility/QA SME for cross-functional Digital Services teams, validating products against WCAG 2.1 AA, WCAG 2.2, Section 508, and ADA Title II requirements.
- Performed manual accessibility QA using screen readers, keyboard-only navigation, browser inspection, and automated tools to identify conformance gaps.
- Documented accessibility defects with severity, user impact, WCAG criteria, reproduction steps, expected behavior, and remediation recommendations.
- Reviewed third-party VPATs and ACRs to assess product risk, compliance posture, and remediation priorities.
- Partnered with QA, engineering, product, and design teams to verify fixes and embed accessibility acceptance criteria into delivery workflows.

AmeriCorps Service Member | Perkins School for the Blind

Sep 2024–May 2025

- Completed 1,000+ service hours teaching braille and supporting students with visual impairments.

Freelance Accessibility Consultant | Boyce Accessible Technologies

Jan 2023–Aug 2024

- Tested and remediated web and mobile accessibility issues in Swift, Kotlin, and JavaScript applications, with emphasis on WCAG 2.1 AA and assistive technology compatibility.
- Advised clients on accessible design patterns, defect remediation, keyboard interaction, semantic structure, ARIA usage, and inclusive QA practices.

Accessibility Subject Matter Expert | Equivalent.Design

Jun 2022–Jan 2023

- Developed and tested accessible digital materials for iOS and Android, validating screen reader behavior, focus order, labels, gestures, and mobile accessibility patterns.

Accessibility Consultant, Industry Lead | Level Access

Jun 2021–May 2022

- Led accessibility QA initiatives for up to 46 enterprise clients, supporting audits, defect reviews, remediation validation, and accessibility program maturity.
- Partnered with engineering, QA, design, and product teams to translate accessibility findings into actionable test cases and acceptance criteria.
- Delivered accessibility guidance and training on WCAG testing methods, assistive technology workflows, and practical defect remediation.

Education

Converse University — Computer Science coursework (B.S. program, three years); French minor completed

Honors

- UN Women #SheInnovates Honoree (2019)
- White House Champions of Change Award (2015)

Leadership

AmeriCorps representative to the Massachusetts State House; CSforALL Accessibility Initiative Advisory Committee; ERG Secretary at Level Access.
